## DESCRIPTION

The open back design of the DT 440 gives a true sense of ambience. Extremely well balanced sound, suitable for any music that requires that extra responsive dynamic punch, whether you are into pop, jazz, soul or dance. The DT 440's powerful bass end and extended highs make for a lively and detailed experience! The 90° swivelling ear-cups and softer yet sturdy materials for the headband and the ear pads ensure outstanding levels of comfort. The fold-away design makes it easy to store and transport.

The DT 440 is still manufactured in Germany providing an excellent quality.
